TRANSFER PRICING · AMSTERDAM

Your trusted transfer pricing partner.

Capability deck · 2026

inRange Solutions B.V.
Amsterdam, Netherlands · www.inrange.nl

ABOUT OUR COMPANY

Transfer pricing expertise, combined with market-leading technology.

At inRange, we combine Transfer Pricing expertise with market-leading technology and a passion for serving clients.

Our experts have decades of Transfer Pricing experience gained at leading global consulting firms and the world's largest multinational companies. Through this experience we develop practical and sustainable solutions for your transfer pricing needs.

Utilising our dedicated AI-enabled documentation and research software, we streamline economic analyses and TP documentation — ensuring adherence to local-country regulatory requirements wherever you operate, faster and at a lower cost.

OUR SERVICES

Six ways we help.

A focused Transfer Pricing practice. Every engagement led by a senior specialist; every deliverable reviewed at partner level.

01 PLANNING → IMPLEMENTATION

Transfer Pricing Advice

Expert guidance on all aspects of Transfer Pricing, from planning to implementation, ensuring your intercompany set-up is at arm's length.

02 MASTER FILE · LOCAL FILES · CBCR

TP Documentation

Stay compliant with TP requirements worldwide — we prepare, update and review your Master file, Local files and Country-by-Country Reporting.

03 TAX AUDITS & CONTROVERSY

Audit Support

Safeguard your business during TP examinations — early-stage support, strategic defence and efficient resolution of controversies.

04 PEAK-WORKLOAD SUPPORT

Interim Placement

Leverage our network of experienced TP specialists as interim in-house capacity during peak workload periods.

05 FINANCIAL & NON-FINANCIAL DATA

Economic Analyses

Expert support in analysing financial and non-financial data for Transfer Pricing purposes.

06 INTERCOMPANY CONTRACTS

Legal Agreements

Prepare or refresh the legal agreements supporting your intercompany transactions.

HOW WE WORK

A predictable path from scope to sign-off.

Every engagement runs on the same four-stage cadence — led end-to-end by a senior specialist, with AI-enabled tooling handling the mechanical work so yours gets the considered thought.

01

WEEK 1

Scope

Discovery call, review of your group structure and intercompany flows, agreement on deliverables and fee.

Fixed fee · Senior-led

02

WEEKS 2–4

Analyse

Functional analysis, economic analyses and benchmarking — AI-accelerated research, human judgement on method and comparables.

OECD-aligned · AI-enabled

03

WEEKS 4–8

Document

Master file, Local files and Country-by-Country Reporting, drafted to local-country regulatory requirements in every jurisdiction you operate.

Locally compliant · Partner-reviewed

04

ONGOING

Support

Tax-audit defence, controversy support, refreshes on change — and interim placement when your own team needs an extra set of hands.

Audit defence · Interim specialists

ADVANTAGES OF WORKING WITH US

Expertise, technology, and a passion for serving clients.

At inRange, we combine Transfer Pricing expertise with market-leading technology and passion for serving clients.

01 High Quality

Senior specialists on every engagement.

Our experts have on average over 15 years of Transfer Pricing experience gained at leading global consulting firms and some of the world's largest multinationals — and they stay on your file from scoping to sign-off.

02 Efficient Delivery

AI-enabled documentation and research.

Our dedicated, AI-enabled compliance and research software streamlines economic analyses and TP documentation — cutting turnaround time on Master file, Local files and benchmarks without compromising local-country compliance.

03 Competitive Pricing

High quality at sustainable rates.

A lean delivery model pairs highly experienced, hands-on TP specialists with the power of AI — so you get the calibre of advice you'd expect from the Big Four at materially lower cost.

WE'D LOVE TO HEAR FROM YOU

Get your Transfer Pricing done.

A short note is usually enough to start. Tell us what you're working on — a new structure, a documentation cycle, or a question from a tax authority — and we'll come back with a clear next step, typically within a working day.
